

Activity 3

Impact Consultant's Lab

Welcome to the Impact Consultant's Lab!

Welcome to a unique, immersive game where you'll step into the role of a social impact consultant tasked with solving real-world challenges for social enterprises.

In this lab, you'll use your creativity, strategic thinking, and problem-solving skills to tackle complex issues that have a positive social impact. Whether it's addressing funding dilemmas, community engagement strategies, or social enterprise dilemmas, you're here to innovate for change.
